6. Code of Conduct at Group Meetings

At group meetings, everyone has the right to feel safe and comfortable. Issues will be resolved through discussion, consensus and civil debate. Shouting, bad language, bullying or aggressive behaviour will not be tolerated.

If the above described negative behaviour occurs, the Chair of the meeting will request the speaker to desist and return to their seat. Where the speaker continually refuses to behave they will be issued a warning that they may be asked to leave the meeting should their behaviour continue.

If their behaviour continues following this warning, they will be asked to leave the meeting. If the speaker still refuses to desist, the Chair will order power to that microphone be switched off and will request the assistance of security to remove the individual from the meeting.

7. Registering at a Group Meeting

Registering at group meetings is important for the following reasons:

- This is our record of Beneficiary attendance at the meeting and attendance is recorded in the minutes of the meeting;
- Once registered Beneficiaries will receive a wrist band which entitles them to vote on resolutions at the meeting; and
- Registering is how we know Beneficiaries attended the meeting and therefore confirmation of entitlement to a payment for attending should one be applicable.

The registration desk will usually be open from one (1) hour prior to the commencement of a meeting and the cut off times for registrations will be outlined on the notice of meeting as issued to all Beneficiaries in advance of the meeting.

8. Proxies and Proxy Holders for General Meetings

A proxy is a transfer of voting authority from a registered Beneficiary to another individual. This means this person will attend the meeting on another's behalf and vote on any resolutions for them.

The nominated proxy holder does not need to be a registered Beneficiary or Member. Please see below for the procedures relating to proxy nominations below:

The Trustee (The Gumala Trust)

1. An adult Beneficiary may appoint a proxy to attend a general meeting on his or her behalf;
2. The proxy does not need to be a Beneficiary;
3. The proxy must be appointed in writing by the nominating Beneficiary and may specify the manner in which the proxy is to vote in respect of a particular resolution, and where provided on a nomination form, the proxy shall not be entitled to vote on the resolution except as specified on the form; and
4. The proxy nomination will only be deemed valid if it is signed by the nominator and sent into the Trustee office (by hand, by post, by fax or by email) before the meeting.

**Proxy wrist bands will be distributed to those nominated individuals at the registrations desk.*
